

## Día de Los Muertos — Day of The Dead

October 29 – November 4, 2023

Come and get to know one of the most significant Mexican traditions, where the living ones prepare to receive their dead one and celebrate with them.

Learn about the history and meaning of the Day of the Dead, the elements that are part of an altar and the meaning and importance of each one of them; participate with our Scholars in the setting up of a traditional altar to honor those who have passed away; learn how you to cook some of the most traditional dishes during this celebration.

## Project Amigo Service Week

Project Amigo accomplishes its mission of helping children in Colima reach their full potential by providing the support and wrap around service so that our Scholars can continue their education beyond the elementary school level! We are able to accomplish our mission through the support and partnership of Rotary Clubs, families, businesses teams working on corporate culture and simply friends traveling together to make a difference.

When you come visit our beautiful Cofradia de Suchitlan in Colima MX during a Service Week you meet our Scholars, you experience our Mexican culture and eat authentic homemade food! Be prepared to leave renewed and amazed by your extended Project Amigo familia!

Service weeks begin with you arriving on a Sunday at the airport—Guadalajara, Colima or Manzanillo we pick you up and get you all situated in one of our lovely facilities. Every Service Week includes:
